LEE REED

DIRECTOR OF INTERCOLLEGIATE ATHLETICS FRANCIS X. RIENZO CHAIR

Lee Reed came to Georgetown University in April of 2010 as the 17th director of intercollegiate athletics (Francis X Rienzo chair), bringing with him an outstanding record of service in higher education. His commitment to people is an integral part of his core philosophy and is reflected in his oft-mentioned adage, "Georgetown athletics is STUDENT-ATHLETE centered, COACH driven, and ADMINISTRATOR assisted." This principle guides all strategic decision-making within the department of athletics.

While overseeing one of the most broad-based intercollegiate athletics programs in the nation with 29 varsity programs and more than 700 student-athletes, Reed continues to earn respect within his profession and among his peers. He is in line to serve as president of the National Association of Collegiate Directors of Athletics (NACDA) during the 2018-19 academic year and is currently the 2nd vice president of the Association. Reed also serves as chair of the John McLendon Foundation Board and is chair of the BIG EAST Men's Basketball Issues Working Group. He also serves as a mentor in the NCAA Pathways program, is on the advisory board for the LGBTQ Center at Georgetown, and is a frequent guest speaker at the NCAA, NACDA and other national programs.

Under his leadership, the Hoyas have remained prominent on the national landscape while maintaining their commitment to the values that define the oldest Catholic and Jesuit university in the country. In the classroom, Hoya student-athletes continue to excel, posting cumulative GPAs consistently over 3.2, the highest mark since that figure has been tracked. In addition, 13 teams were recognized by the NCAA for high Academic Progress Rate scores, 94 percent of student-athletes graduated and nearly 300 student-athletes were selected to the BIG EAST Academic Honor Roll, the most in the BIG EAST Conference.

Reed was instrumental in the smooth transition to the new BIG EAST conference in 2013, which welcomed three new institutions. In 2015, he negotiated a lucrative 10-year multimedia rights deal with FOX Sports on behalf of Georgetom Athletics, joining an exclusive list of institutions to partner with FOX Sports in this national trend. Additionally, this fall, the Thompson Intercollegiate Athletic Center will be open, the first varsity athletics facility on the Hilltop since 1951. The Thompson Center is a 144,000-square-foot state-of-the-art training facility that will immeasurably elevate the infrastructure available to Georgetown's student-athletes.

Reed led the Department of Athletics' ambitious \$125 million fundraising campaign as a part of the university-wide For Generations to Come campaign, completed in 2016, as well as unprecedented growth of the athletics endowment. Under his leadership, Georgetown University received the two largest gifts in athletics history, including a historic \$50M commitment to underwrite the Cooper Athletics Leadership Program and to complete Cooper Field. Additionally, through philanthropic gifts, Reed has upgraded numerous facilities benefiting soccer (Shaw Field), baseball, rowing and strength & conditioning.

Throughout Reed's tenure, Georgetown athletics has continued to be a national and conference powerhouse, claiming individual and team titles in men's and women's cross country and track & field, sailing, men's and women's soccer, men's and women's golf, women's lacrosse, men's and women's swimming & diving, men's rowing, and men's basketball. In all, Georgetown's student-athletes have captured 18 conference tournament and regular season championships.

Three head coaches have received national coaches of the year honors under Reed (sailing, women's cross country, men's soccer) and six team national championships have been earned, including a NCAA women's cross country title in 2011, a men's lightweight rowing championship in 2016, and four ICSA national sailing titles (2010, 2012, 2014, 2016). In addition, numerous conference and national rookie and player of the year honors and coach and coaching staff of the year accolades have been awarded.

The following athletic department "firsts" have occurred under Reed's watch:

- · Field hockey student-athlete named First Team All-BIG EAST
- · Baseball student-athlete named BIG EAST Player of the Year
- Swimming student-athlete qualified for the US Team Olympic Trials
- Sailing student-athlete captured the Singlehanded National Championship
- Men's soccer team advanced to the College Cup and National Championship game
- Softball team advanced to the BIG EAST tournament

Prior to coming to the Hilltop, Reed served as the director of athletics at Cleveland State University for eight years. A former basketball standout at Cleveland State, he joined the Vikings Athletics Department in the summer of 2002. During his time at CSU, the Viking athletics program moved into the upper ranks of the Horizon League and was recognized as one of

the top programs in the state of Ohio. While there, he served as president of the NCAA I-AAA Athletic Director's Association, served on the NCAA Management Council and the NCAA Men's Basketball Academic Enhancement Group, a working group composed of presidents, chancellors, head coaches, commissioners, athletic directors and faculty athletic representatives, which was established to develop strategies to enhance the academic performance and graduation rates of NCAA Division I men's basketball. In addition, each summer Reed returns to the classroom to co-teach a graduate level leadership class in the sports industry management program in Georgetown's School of Continuing Studies.

Reed was recognized as one of the 50 Most Powerful African-Americans in Sports by Black Enterprise magazine.

Reed spent seven years at Eastern Michigan University prior to returning to Cleveland State. He received his master in sports administration from the University of New Mexico, where he also served as an assistant men's basketball coach.

Reed and his wife, Katafa, and their children reside in Great Falls, Virginia.

Ricky Fried is now in his 13th season at the helm of the Hoya program after serving as a Georgetown assistant coach in 2003 and 2004.

In his first 12 seasons, Fried has led the Hoyas to a 130-88 overall record and a 64-15 record in BIG EAST regular season games. During the 2014 season, he became the winningest coach in program history following a 13-6 win over Temple on April 19.

Under Fried, Georgetown has earned seven BIG EAST regular season titles, made six trips to the BIG EAST Tournament Championship Game, winning in 2010, and has advanced to the NCAA Tournament seven times, reaching the quarterfinals twice.

Fried was named associate head coach for the Hoyas in November 2003 and was involved in all aspects of the Hoya program but focused on an offensive unit that became one of the most potent in the nation. On the other side of the field in 2003, Georgetown led the nation in caused turnovers.

Prior to Georgetown, Fried was an assistant coach at Johns Hopkins University for nine seasons. While at the school, Fried served as the recruiting coordinator and helped build Hopkins in to a Division I Top 20 program after aiding in the transition from a strong D-III program.

THE BIG EAST CONFERENCE

The BIG EAST Conference moves forward in of 10 outstanding and revered academic institutions. Founded by Dave Gavitt in 1979, the BIG EAST reorganized in 2013 and entered a new era by returning to its basketball-centric heritage. The league's 10 member schools—Butler University, Creighton University, DePaul University, Georgetown University, Marquette University, Providence College, St. John's University, Seton Hall University, Villanova University, and Xavier University-embrace a constant commitment to academic integrity, athletic excellence and community service.

Val Ackerman, who previously served as founding President of the WNBA, President of USA Basketball and U.S. representative to the International Basketball Federation (FIBA), was named fifth Commissioner of the BIG EAST in conjunction with the conference's 2013 reconfiguration. Under her leadership, the BIG EAST has maintained its reputation for top-level achievement in athletics and has continued to be influential on the national intercollegiate landscape, with many conference and school administrators currently serving on key NCAA committees.

Since its inception in 1979, the BIG EAST has been lauded as a leader in innovative concepts in promotion, particularly television, and that reputation continues with the conference's relationship with FOX Sports. The BIG EAST has a fruitful multi-year partnership with FOX Sports and its national cable network FS1. FOX's comprehensive coverage of BIG EAST men's basketball includes the broadcast of all regular season games on FOX, FS1, FS2 or FOX Regional Networks, as well as the BIG EAST Tournament at Madison Square Garden, college basketball's longest-running postseason basketball conference tourney held at the same venue. The BIG EAST and FOX also have established an annual five-game marathon in men's basketball with all 10 teams competing on the same day in league competition.

BIG EAST institutions are located in seven of the nation's top 35 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Indianapolis, Milwaukee and Cincinnati.

FOX Sports platforms carry complete coverage of women's basketball regular season play and the BIG EAST Women's Basketball Tournament. Every Olympic sport championship is also carried on the network or digital platforms

The BIG EAST has also increased the visibility of its member school programs with the expansion of the BIG EAST Digital Network (BEDN). When the conference launched BEDN in 2014-15, the league became the first collegiate conference to be hosted on the FOX Sports mobile platform, FOX Sports Go, the app that provides live streaming of FOX Sports content. BEDN will carry 225 live events in 2016-17, with an emphasis on women's basketball, soccer and Olympic sport regular season and championship events.

The BIG EAST Conference became a reality in 2016-17, the fourth year of its current consortium May of 1979 through the vision of Gavitt, the former Providence College men's basketball coach and athletic director. Providence, St. John's, Georgetown, Syracuse, Seton Hall, Connecticut and Boston College formed the original sevenschool alliance, and within the span of just a few years the conference had become a national powerhouse in men's basketball. While the composition of the BIG EAST evolved over the next three decades, the focus of its schools did not waver, reflecting a tradition of broad-based programs led by administrators and coaches who emphasize academic strength and fair play.

In December of 2012, the seven BIG EAST schools that do not compete in FBS football-DePaul, Georgetown, Marquette, Providence, St. John's, Seton Hall and Villanova-announced their intention to separate from the conference's football-playing schools and form an independent association. On March 20, 2013, the seven schools reached an agreement that enabled them to retain the BIG EAST name and assume the old conference's long-term pact with Madison Square Garden to host the BIG EAST Men's Basketball Tournament, one of the premier events in college athletics. The schools also announced the addition of three distinguished institutions sharing the same academic and athletic values -Butler, Creighton and Xavier- and forged a landmark, long-term broadcast partnership with FOX Sports. The BIG EAST moved its headquarters from its original location in Providence, R.I., to midtown Manhattan in New York City to complete the transformation. The BIG EAST's new era officially began on July 1, 2013, its effective date as the NCAA's 32nd Division

To complement its athletic successes, the conference launched BIG EAST Serves in 2014 to align the academic, health, leadership and service missions of the 10 member institutions. Initiatives housed under the BIG EAST Serves umbrella, such as BIG EAST Serves Day, the BIG EAST Career Consortium and the national partnership with the It's On Us campaign against campus sexual assaults, reflect the conference's commitment to developing the complete BIG EAST student-athlete and making a positive contribution to the campus communities of its member schools and conference's headquarters in New York

In the fall of 2015, the BIG EAST hosted its inaugural Freshmen Fundamentals, a unique program designed to assist men's basketball student-athletes in the transition from high school to college and the elite level of BIG EAST basketball.

BIG EAST institutions boast high graduation rates for their student-athletes, and the league has always been able to say that many of its best athletes are also its best students. Ryan Arcidiacono, the starting guard for Villanova's national champion men's basketball team and the Most Outstanding Player at the 2016 Final Four, also was one of five finalists for the 2015-16 Senior CLASS Award in his sport for excellence in classroom, community, character and competition. DePaul women's tennis standout Rebeca Mitrea was a conference nominee for NCAA Woman of the Year, an award that honors academic achievements, athletic excellence, community service and leadership. On the court, Mitrea is DePaul's all-time leader in wins with 117. She competed in the doubles of the 2016 NCAA Tennis Championship. Mitrea also was honored with the Arthur Ashe Leadership and Sportsmanship Award from the Intercollegiate Tennis Association (ITA)

The conference, which crowns champions in 22 sports, had league teams earn a total of 24 NCAA berths and 42 individual NCAA invitations in 2015-16. Seven different national postseason championships saw multiple BIG EAST teams participate, including five teams in men's basketball and three in women's basketball. BIG EAST schools produced 12 CoSIDA Academic All-Americans, including six in soccer (four male, two female).

Current BIG EAST men's basketball programs have enjoyed extraordinary success over the years. Villanova won the 2016 NCAA Championship, its second in school history. Georgetown and Marquette also have won the national title. DePaul, Providence, St. John's and Seton Hall have all made it to the Final Four. The BIG EAST placed three men's basketball teams in the Final Four in 1985—Georgetown, St. John's and Villanova—the only time this has occurred in NCAA history. Over the past 13 years, Butler, Georgetown, Marquette and Villanova have reached the Final Four, with Butler and Villanova making two trips. Xavier has advanced to the Elite Eight twice and the Sweet 16 four other times.

BIG EAST student-athletes have achieved recent success in other sports, as well. A BIG EAST team has won the NCAA women's cross country championship four of the last seven years (Villanova won twice; Providence and Georgetown once), with one runner-up finish (Providence).
